CURRICULUM VITAE OF NICOLE COLOMBINO, PH.D.

LICENSED CLINICAL AND FORENSIC PSYCHOLOGIST

EDUCATION

2017

Ph.D. in Clinical Psychology

The Graduate Center, John Jay College of Criminal Justice
New York, New York

Dissertation: Preventing sexual violence where it most often occurs: An investigation of the situational and structural components of child sexual abuse in residential settings

2008

Masters of Arts in Forensic Psychology

John Jay College of Criminal Justice, New York, New York

Thesis: Situational aspects of sexual offending: Implications for residence restrictions and GPS monitoring

2006

Bachelor of Arts in Psychology *Cum Laude*

Drew University
Madison, New Jersey
Minor: Sociology
Honors: Dean's List (2003-2006)

LICENSES AND CERTIFICATIONS

2022 – present

Interjurisdictional Practice Certificate (#12967), Association of State and Provincial Psychology Boards PSYPACT interstate compact of state psychology boards

2019 – present

Licensed Psychologist, New Jersey (35SI00606700)

2021 – present

Licensed Psychologist, New York (024764-01)

2022 – 2024

Licensed Psychologist, Michigan (6301019169)

CLINICAL EXPERIENCE

2021 – present

Clinical Forensic Psychologist

Center for Forensic and Clinical Psychology of New Jersey, LLC

- Provide clinical-forensic evaluation and consultation services for adults, adolescents, and children in criminal, civil, and immigration-related matters.
- Provide expert testimony in criminal and civil contexts
- Dr. Colombino has been qualified as an expert in forensic psychology in New Jersey's Superior Court.
- Provide continuing education trainings and presentations on a variety of clinical forensic psychology topics.
- Dr. Colombino's services have been retained through the court, defendant, and plaintiff, as well as community-based agencies.
- Work collaboratively with CFCPNJ's Team of Action and oversee the work of forensic psychology assistants and externs.

2020

Independent Clinical Practice

- Provide clinical-forensic psychological and consultation services, predominately in forensic mental health assessment and sexual violence risk assessment of adults and juveniles.

2019 – present

Clinical Supervisor

County of Bergen – Division of Family Guidance

Hackensack, New Jersey

- Supervise the Forensic Unit
 - Oversee a team of psychologists that conduct specialized court-ordered evaluations that include psychosexual risk assessment evaluations for post-adjudicated sexually abusive youth and psychological evaluations for pre- and post-adjudicated juveniles.
 - Appear regularly in court, as requested by attorneys and judges.
- Supervise the Teen Re-adjustment Program (TREAD); an outpatient program for juveniles adjudicated of perpetrating illegal sexual behaviors.
- Supervise diversion programming for youth.
 - This often involves coordination with local law enforcement, the prosecutor's office, and probation.
 - Oversee curriculum
 - Supervise staff
- Participate as an advisory board member of our local, accredited, Child Advocacy Center's Advisory Board and member of the Multidisciplinary Team (MDT) at the Bergen County Prosecutor's Office.
- Clinical externship director for doctoral level psychology students.

- Responsible for writing and submitting a successful application for APA sponsorship for continuing education credits for psychologists. Committee member of Division of Family Guidance's APA continuing education sponsorship committee.

2017 – 2019

Clinical Psychologist – Forensic Unit

County of Bergen – Division of Family Guidance
Hackensack, New Jersey

- Primary responsibility was to conduct specialized court-ordered evaluations that include psychosexual risk assessment evaluations for post-adjudicated sexually abusive youth and psychological evaluations for pre- and post-adjudicated juveniles. The evaluations required in-person court appearances to provide sentencing and treatment recommendations to the court.
- Provided specialized individual psychotherapy aimed at treating youth who engaged in sexually inappropriate behaviors.

2014 – 2015

Evaluator

Center for Evaluation and Counseling, Inc.
Parsippany, New Jersey

- Conducted forensic evaluations with a diverse population (adult and child) to assess for a variety of potential risk issues, including mental illness, domestic violence, substance abuse, sexuality, attachment and bonding, child abuse and neglect, and parental competency referred from DCP&P, Superior Court, and others involved with this population.

SUPERVISED CLINICAL TRAINING

2016 – 2017

Clinical Psychology Intern

Greystone Park Psychiatric Center
APA-Accredited Pre-Doctoral Internship
Morris Plains, New Jersey

- Weekly responsibilities included individual psychotherapy, group psychotherapy, and comprehensive psychological assessments with severely mentally ill patients hospitalized in an inpatient state psychiatric hospital setting. Worked as an integral member of multidisciplinary treatment teams. Participated in weekly individual and group supervision sessions. Participated in internship program didactics. Supervised doctoral student externs. Completed comprehensive assessment batteries throughout the hospital and provided feedback to patients based on assessment findings.
- Forensic Rotation: Worked with patients who were found Incompetent to Stand Trial (IST), Not Guilty by Reason of Insanity (NGRI), or on detainer status. Conducted individual psychotherapy from cognitive-

behavioral orientations. Led a Dialectical Behavior Therapy (DBT) group and co-led a Symptom Management group. Completed suicide and violence risk assessments. Wrote special status reports to be used by an internal review board in the decision-making process to grant patient privileges within the hospital setting or consider discharge. Participated in a multidisciplinary team, including at special status review meetings.

- Emotion Regulation Rotation: Conducted individual psychotherapy using schema therapy and DBT interventions with patients diagnosed with severe personality disorders and emotion regulation difficulties. Initiated and led a mindfulness exercise three times a week. Led a weekly community meeting. Co-led weekly schema therapy and DBT groups. Completed a training didactic on schema therapy. Worked as part of a multidisciplinary team and regularly led treatment team meetings.
- Admissions Rotation: Conducted individual psychotherapy using DBT and supportive interventions with patients during acute episodes of severe mental illness. Led and co-led weekly DBT groups. Completed suicide risk assessments and assisted with treatment planning.
- Outpatient Placement at Morristown Medical Center: Worked as a consultant within an outpatient medical hospital setting. Used motivational interviewing for brief psychotherapy sessions with adults suffering from alcohol use disorders within a medical hospital setting. Worked with patients suffering from chronic medical conditions, sleep disorders, neurological illnesses, or substance use disorders. Conducted assessments to determine eligibility for bariatric surgery and received training in CBT for Insomnia, which was utilized to treat patients with sleep disorders.

2014 – 2015

Clinical Extern – Advanced Practicum

Essex County Hospital Center

Cedar Grove, New Jersey

- Weekly responsibilities included individual therapy, group therapy, and intake assessments with severely mentally ill patients hospitalized in a continuous care hospital facility. Supervised extern intake assessments and assisted in weekly group supervision with junior externs. Conducted individual therapy with high-risk patients using evidence-based interventions (e.g., DBT, Illness Management and Recovery). Developed and led a weekly DBT group. Conducted psychological assessments and provided feedback to the multi-disciplinary team and the patient. Participated in family group meeting, providing psychoeducation and support to families of severely mentally ill patients.

2013 – 2014

Clinical Extern

Metro Regional Child Abuse Diagnostic & Treatment Center (RDTC)
Children's Hospital of New Jersey
Newark Beth Israel Medical Center
Newark, New Jersey

- Weekly responsibilities included individual therapy, psychosocial assessments, and comprehensive psychological assessments of children referred by the Division of Child Protection and Permanency (DCP&P) and children placed in foster care. Conducted individual therapy, using trauma-focused cognitive behavioral therapy (TF-CBT), with children who have been referred by DCP&P for sexual abuse, physical abuse, and/or neglect. Conducted psychosocial assessments of children who allegedly experienced sexual abuse, physical abuse, and/or neglect. Recommendations for services were provided in a written report to DCP&P. Conducted Comprehensive Health Evaluations for Children (CHEC), with children in foster care. A written report with recommendations for services was provided to DCP&P.

2012 – 2013

Clinical Extern

Essex County Hospital Center
Cedar Grove, New Jersey

- Weekly responsibilities included individual therapy, group therapy, and intake assessments with severely mentally ill patients hospitalized in a continuous care hospital facility. Conducted individual therapy with high-risk patients using evidence-based interventions (e.g., CBT, DBT, Illness Management and Recovery). Co-led weekly psychotherapy group (process-oriented). Conducted psychological assessments. Provided cognitive remediation therapy to patients with schizophrenia. Participated in family group meetings, providing psychoeducation and support to families of severely mentally ill patients.

2011 – 2012

Clinical Extern

Montclair State University Counseling and Psychological Services
Montclair State University, Montclair, New Jersey

- Conducted short-term psychotherapy, mainly CBT-focused, yet integrated with other techniques (e.g., psychodynamic, mindfulness). Conducted structured intakes, provided written assessment/case conceptualization, and presented intakes to staff at weekly disposition meetings. Participated in outreach to the college community (e.g., stress management workshop, depression screening), as well as developed a sexual violence prevention workshop.

2009 – 2011 **Clinical Research Assistant**
Project SHARP
John Jay College of Criminal Justice, New York, NY

- Provided weekly individual anger management therapy (18-week program) to offenders who had been convicted of stalking.

2005 – 2006 **Assistant to Supervisor**
Human Growth Center of New Jersey
Clifton, New Jersey

- Assisted supervisor in conducting individual and family therapy in a private practice setting. Provided the psychiatrist with updates on clients' therapeutic progress prior to clients' psychiatric appointments.

ACADEMIC POSITIONS

2023 – present **Adjunct Faculty Member**
Fairleigh Dickinson University
Teaneck, New Jersey

- Adjunct faculty member in the Master's in Forensic Psychology Program
- Advanced Topics course: Assessment and Treatment of Youth in the Criminal Justice System

2011 – 2016 **Teaching Assistant**
John Jay College of Criminal Justice
New York, New York

- Abnormal Psychology
- Cognitive Psychology
- Developmental Psychology
- Learning and Memory
- Social Psychology

Fall 2013 **Recitation Leader**
John Jay College of Criminal Justice
New York, New York

- Research Methods and Design

2008 – 2010 **Adjunct Faculty**
William Paterson University
Wayne, New Jersey

- Social Science Seminar II: Methodology (advanced research course for students in the honors track to assist students in writing their thesis; Fall 2008, Fall 2009)
- Social Psychology (Spring 2009, Fall 2009, Spring 2010)

TRAININGS, WORKSHOPS, AND PRESENTATIONS PROVIDED

Individuals who commit sexual harm: Who they are, why they do it, and evidence-based methods to keep communities safe (to be presented in January 2025). *Educational Program for Bergen County Prosecutor's Office, Special Victim's Unit*, to be held in Hackensack, New Jersey

Colombino, N., Piekut, E., & Salfati, C.G. (May 2008). *A comparison of sexual homicide behaviors based on sexual assault history.* Poster presented at the 4th Annual John Jay College of Criminal Justice Masters' Conference held in New York, NY on May 16, 2008.
Awarded 2nd Place Prize for Best Poster

RESEARCH EXPERIENCE

2013 – 2016

Clinical Training Director

Desistance from Sexual Offending Longitudinal Research Project
John Jay College of Criminal Justice, New York, New York

Principal Investigators: Cynthia Calkins, Ph.D., and Elizabeth Jeglic, Ph.D.

- Train new research assistants on interview protocol and general clinical interviewing skills.
- Developed a clinical skills and information training manual that is used for training and distributed to new research assistants.
- On-going monitoring and training of research assistants.
- Provide clinical training to research assistants conducting phone follow-up interviews with offenders.
- Conduct structured interviews with incarcerated offenders at the Pennsylvania State Correctional Institution at Graterford (bi-yearly) and provide on-site supervision of research assistants conducting interviews.

2007 – 2010

Paid Project Manager / Research Assistant

John Jay College of Criminal Justice, New York, New York

Principal Investigators: Cynthia Calkins, Ph.D., and Elizabeth Jeglic, Ph.D.

- Worked with a team of researchers gathering data as part of a sex offender project in New Jersey, funded through a grant from the National Institute of Justice.

- Data collection was conducted at the Central Reception and Assignment Facility (CRAF) in Trenton, NJ and Avenel Sex Offender Prison of New Jersey (ADTC).
- As project manager of the CRAF facility, responsibilities included acting as liaison between the facility and principal investigators, and managing the CRAF data collection team.
- Supervised and managed recidivism data collection, which involved data collection tool development, training research assistants, and acting as a liaison between the facility and the principal investigators.

2008 – 2009

Researcher

John Jay College of Criminal Justice, New York, New York

Supervisor: C. Gabrielle Salfati, Ph.D.

- Researcher as part of John Jay College of Criminal Justice and FBI Behavioral Science Unit Collaborative Research Project.
- Research examined sexual assault criminal history's influence on crime scene behaviors.

INVITED LECTURES PROVIDED

2024	Bergen County Prosecutor's Office Invited guest lecturer for BCPO interns <i>Title of Lecture:</i> The Role of a Forensic Psychologist
2024	Ramapo High School, Franklin Lakes, New Jersey Invited guest lecturer for high school students <i>Title of Lecture:</i> Forensic Psychology as a Career
2022	Fairleigh Dickinson University, Teaneck, New Jersey Invited guest instructor for masters' psychology special topics course <i>Title of Lecture:</i> Assessment and Treatment of Juveniles in the Criminal Justice System
2021	Fairleigh Dickinson University, Teaneck, New Jersey Invited guest instructor for masters' psychology special topics course <i>Title of Lecture:</i> Assessment and Treatment of Juveniles in the Criminal Justice System
2020	Regional Diagnostic and Treatment Center at Newark Beth Israel Medical Center, Newark, New Jersey Invited guest lecturer for doctoral psychology externs <i>Title of Lecture:</i> Assessment and Treatment of Adolescents who have Engaged in Sexually Abusive Behavior

- 2020 Montclair State University, Montclair, New Jersey
Invited guest lecturer for masters' level Developmental Psychology course
Title of Lecture: Developmental Considerations in Juvenile Justice
- 2020 Montclair State University, Montclair, New Jersey
Invited guest lecturer for undergraduate Forensic Interviewing course
Title of Lecture: The Influence of Child's Disclosure on Psychosexual Assessments
- 2011 Montclair State University, Montclair, New Jersey Invited guest lecturer for undergraduate Freshman Seminar course
Title of Lecture: Stress Management Techniques
- 2008 Drew University, Madison, New Jersey
Invited guest lecturer for undergraduate psychology students
Title of Lecture: Situational Aspects of Sexual Offending: Implications for Sex Offender Policy

PROFESSIONAL SERVICE

- Spring 2024 Invited to be Dissertation Committee member; Dissertation title: Relationship quality, predictors, and outcomes in adolescent age-gap relationships: An exploratory study by Alexandra Bonagura, The Graduate Center – John Jay College of Criminal Justice
- 2022 – present Review and provide graded feedback for comprehensive examinations of students in Fairleigh Dickinson University's master's in forensic psychology program.
- 2020 – present Advisory Board Member for New Jersey's Bergen County Child Advocacy Center
- 2011 - 2015 Served as a mentor for incoming doctoral students at John Jay College of Criminal Justice
- 2012 – 2014 Elected Doctoral Student Council Diversity Representative
- 2011 Participated in a workshop for undergraduates on graduate school education at John Jay College of Criminal Justice

SELECTION OF SPECIALIZED TRAININGS

Dr. Colombino regularly attends continuing education trainings on a monthly basis. This is a sample of specialized training Dr. Colombino has received.

- Assessment of Juvenile Waiver

- Sexual Violence Risk Assessment
 - SAPROF-SO, Version 1
 - Static-99R
 - STABLE/ACUTE

HONORS AND AWARDS

- 2015 Recipient, Psychology Department Travel Grant, Graduate Center (\$300)
- 2011 Awarded AP-LS Student Travel Award (\$500)
Paper presentation at the Annual meeting of the American Psychology - Law Society held in Miami, FL
- 2008 Awarded 2nd Place Prize for Best Poster Presentation
4th Annual John Jay College of Criminal Justice Masters' Conference

GRANTS

- 2015 **John Jay College Forensic Psychology Research Institute (FPRI)**
Awarded: \$1,500
PI: Niki Colombino
Title: Preventing child sexual abuse where it most often occurs: An investigation of the situational and structural components of child sexual abuse in residential settings

OTHER PROFESSIONAL EXPERIENCE

- Jan. 2010 – Apr. 2010 **Assistant Trial Consultant**
National Jury Project
Madison, NJ
- Assisted Beth Bochnak, director of NJP east coast, with jury research and trial consultation.
 - In conjunction with criminal defense attorney clients, we created a simulated trial experience for a representative participant pool of potential jurors and analyzed the deliberation process.
 - My responsibilities also included assisting with writing up the report analysis and providing recommendations and suggestions for jury selection. One notable case included a highly publicized death penalty case in Connecticut.
- 2008 – 2009 **Faculty Assistant**
John Jay College of Criminal Justice
New York, NY

- Assistant to the director of the Forensic Psychology Master's program.
- Acted as liaison between students and the director to address concerns and questions of the students about the masters' program and masters' thesis.

REVIEWING EXPERIENCE

2020 - current	Reviewer Journal of Interpersonal Violence
2010	Reviewer Assisted faculty to review for <i>Sexual Abuse: A Journal of Research and Treatment</i>
2007 – 2008	Reviewer Reviewer for 2008 and 2009 AP-LS conferences in the areas of Public Policy and Sexual Offending
